

January 9, 2008

Dear WCS Family,

The WCS Administration is excited to inform you of our new software program that will **replace Edline**. This software, called **RenWeb ParentsWeb**, gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet.

**RenWeb ParentsWeb** is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. Three benefits of RenWeb over Edline is that you can view all your child's information on one screen, you can view billing and make payments on your WCS account on-line, and if you have multiple children at WCS it is more user friendly. In addition, you can check attendance, homework and many other features that enable you to monitor your child's success. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Go to Internet Explorer and type in the address [www.renweb.com](http://www.renweb.com).
- Click on "ParentsWeb Login" in the red box.
- Log in as follows:
  1. Type in WEST-TX for your School ID.
  2. Type in your email address that you provided to the school. *\*\*\*(If you don't remember what address the school has on record, call Janice Pearson at 713-551-8100 or email Janice at [jpearson@westburychristian.org](mailto:jpearson@westburychristian.org) with your current email addresses.)*
    - Click "New Parent Login" if you have not logged into RenWeb before.
    - You will be emailed a new password within 3 minutes (to the email address you typed in, which must be the same email address that you provided to the school).
  3. Type in the password assigned.
- To access grades, click "Classrooms." This will bring up all classes in which your child is enrolled at the school.
- Click on "Homework Summary" or "Gradebook Summary" at the top of the column for each child.
- You can access other school information regarding your child on this site, as well as email the teachers directly.

Please call us if you have any problems or questions. We look forward to your participation. Together, we can continue to improve your child's academic development as well as communication at school and at home.

Sincerely,

Greg J. Glenn  
Executive Administrator

***WE ARE HOPING TO HAVE RENWEB UP AND RUNNING IN FULL ON MONDAY, JANUARY 14.***
