### **WRITING/COMPUTER**

**\$125**

Grades 4th-6th

June 21st-25th, 8:30-11:30

Grades 7th&8th

June 28th-July 2nd, 8:30-11:30

We live in a digital age where knowledge of computers is essential. This isn't your dad's computer camp...

**4th through 6th graders** will get on-the-job training on our MacBook computers and improve their writing skills during this weeklong adventure. Students will brainstorm, write, illustrate, storyboard and publish their very own book, start to finish, with the help of their own creative brains and our top-notch computer lab.

A blog (a contraction of the term "web log") is a type of website with regular entries of commentary, descriptions of events, or other material such as graphics or video. It's also a great way to improve writing skills. **7th and 8th graders** will create, design and maintain their own blog as they learn the ins and outs of the computer and of good writing.

Camp Director: Rachel Matthys

### **SOCCER**

**\$125**

Grades K-9th

June 28th-July 2nd, 8:30-11:30

Do you want to become a better player and make your team better? Then soccer camp is for you. You will be directed by former national players in ball-handling, fundamentals, and position specific drills. Sign up for Soccer Camp.

Camp Director: Adebisi Adeniran WCS Soccer Coach

 **DRAMA**

**\$150/week**

Grades 4th-8th

Monday-Thursday: July 5th-23rd, 3:00-6:00 (Must sign-up for all three-weeks)

In this production-based curriculum students will learn music, choreography and scenes from a Broadway musical. They will perform a fully staged production at the end of the class, complete with costumes, sets, props and live music. During the first few days of camp they will learn material from the show and will then audition and be cast in suitable roles. Every child will be featured in the production.

Camp Director: Kristi Wilson and Megan Gilbert

 **ART**

**\$125**

Grades K-8th (divided into age groups)
