

Band Camp Grades 6-8 July 20-24

A camp for band students is finally here. Students will meet daily from 9:00 AM to 3:30 PM to help them get a “head-start” on the new year. We will have a day filled with music theory, counting and games to help our students become the leaders they can be in the 2009-2010 band.

Make plans now to be the best you can be for the next year!
