

BIRTHDAY BOOK CLUB

Donating a Birthday Book is a wonderful way to celebrate your child's birthday and benefit the school library at the same time! To participate, return this form with \$20 to the Business Office before your child's birthday month. The librarian will help your child select a book from the Birthday Box at the library (*requests are not available*). The library will commemorate that book with a special personalized label celebrating your child's birthday. The book will then be presented to your child during Chapel. After 2 weeks, please be sure that your child has returned that book to the library so that their friends can read it too!

Thank you for your participation and support!
