

# Let's Talk Scholarships

Use these FREE resources to apply for scholarships

## RAISEME

Discover and follow colleges. Earn micro-scholarships as early as 9th grade for your high school achievements from the colleges you Follow

## GOING MERRY

Build your profile. Get matched to eligible scholarships. Apply for scholarships. Some scholarships are bundled so you can apply for multiple, at once. Applications are auto-filled with your profile information.

## NAVIANCE

Naviance has a National Scholarship Search function on its website that is hosted by Sallie Mae which provides over 3 million scholarships worth more than \$13 billion. Check this list often.

## OTHER SITES

These are a few other popular and FREE scholarship websites. Each logo is linked to the corresponding website.

Start the process sooner than later. The process can often be very slow, so be patient and continue applying to new scholarships while waiting to hear back from those you've already applied to.
