# Instructions

1) For every 10 minutes of work in reading or math, color in one of the shapes on the waffle cone bowl.

2) Write at least 3 book titles that you've read (one on each scoop).

3) When finished, color the scoops and add sprinkle or syrup decorations (with crayons/markers of course)!

Be sure your parent/guardian signs the completed page.

4) Put the paper in a safe place, so that when school starts, you can bring it to your teacher on August 11 (second day of school) to get your **Summer Challenge Surprise!**
