

## WESTBURY CHRISTIAN SCHOOL

**Job Title:** High School Assistant Football Coach

**Reports To:** Head Varsity Football Coach / Athletic Director

**Pay Type:** This is a seasonal stipend position.

**Job Summary:** The High School Assistant Football Coach will support the Head Varsity Football Coach in all aspects of the high school football program. This role requires a strong commitment to developing student-athletes both athletically and spiritually, demonstrating Christian values, building meaningful relationships, and contributing to a positive and disciplined team culture. The assistant coach will assist with practice planning, game day execution, and individual player development, serving as a mentor and positive example.

**Key Responsibilities:**

- Assist the Head Coach in planning, organizing, and conducting practices, focusing on specific positional groups or areas of expertise (e.g., offense, defense, special teams, specific positions).
- Instruct student-athletes in fundamental football skills, techniques, and strategies.
- Model and integrate Christian values and principles into all interactions, demonstrating integrity, humility, and positive leadership.
- Build strong, positive relationships with student-athletes, providing mentorship, guidance, and encouragement.
- Assist in game day preparation and execution, including scouting opponents and developing game plans.
- Foster a culture of discipline, respect, teamwork, and sportsmanship.
- Communicate effectively with student-athletes, parents, and other coaches.
- Help ensure the safety and well-being of all student-athletes during practices and games.
- Assist with equipment management and maintenance.
- Attend all required team meetings, school athletic department meetings, and events.
- Adhere to all school, district, and league rules and regulations.
