

WESTBURY CHRISTIAN SCHOOL

A Half-Century of Shaping Future Leaders: A Legacy of Faith, Wisdom, and Diversity

ADMISSIONS GUIDE

FROM OUR HEAD OF SCHOOL

Welcome to Westbury Christian School!

We are excited that you are considering Westbury Christian as a partner in educating your children. At WCS, your children will be surrounded by a loving faculty that is committed to their spiritual and intellectual growth. Your child will faithfully pursue Truth, cultivating a deep curiosity and strong understanding of academics as they grow intellectually. Your child will grow in wisdom and leadership, learning to use their gifts and talents to influence others and impact the world for Christ. Your child will develop strong relationships, embracing the value of diverse experiences, backgrounds, and abilities in growing together.

We pray that each of our students is transformed by Christ through the experiences they have at our school, and we can't wait for your family to be a part of our community.

We look forward to supporting, facilitating, and witnessing the incredible growth in your students in the years to come.

Welcome to the Wildcat community! I look forward to seeing you on campus soon.

LEARN

Westbury Christian School provides a private Christian education for students in grades K3 – 12 in Southwest Houston.

A vibrant community of learners, WCS is a reflection of the Kingdom —faithful, wise, and diverse. We are faithful in our pursuit of Truth, cultivating a deep curiosity and establishing strong knowledge of the disciplines. We are wise in leadership, intelligently pursuing courageous purpose and vision. We are diverse like the Kingdom, contributing our unique backgrounds, talents, and experiences in growing together.

WCS proudly continues our 50-year commitment to excellence in academics, student activities, and spiritual development. Competitive tuition provides working families the opportunity to give their children a Biblically-based education. We also actively work to maintain student diversity that reflects the current populace of southwest Houston. WCS is privileged to serve families from a variety of religious faiths, ethnicities, and socioeconomic backgrounds.

WELCOME TO WESTBURY CHRISTIAN SCHOOL!

18,720. That's approximately how many hours a student will spend in school from kindergarten through high school. The number is even higher if you include preschool or after-school activities. Selecting a school to partner with in raising your children is a big decision. They will be with their teachers, coaches, and administrators for a significant portion of their day. **At Westbury Christian, our students spend those hours with dedicated Christian educators who prioritize positive relationships with students.** We believe that qualified Christian educators create great experiences for students, which drives learning and growth. Our dedicated faculty will support students as they grow intellectually, and they will encourage and challenge them to grow in their faith, ultimately preparing them for here and eternity.

WHAT MAKES WCS ACADEMICS DIFFERENT?

- **Purposefully small class sizes.** Our average class size of 12 allows teachers to know their students and work with them individually to meet their academic goals.
- **9:1 student-teacher ratio** enables us to strengthen the curriculum and move further and faster than most programs to heighten academic growth while ensuring that we encourage and support each individual student.
- Core and electives are taught from a Christian perspective and provide for the education of the whole child.
- **1:1 Technology Program.** For students in Kindergarten through 6th grade, laptops stay in each student's classroom. Laptops have age-appropriate use to enhance the academic curriculum. Middle School and High School students are responsible for their laptops.
- **4 Science labs.** 3 science labs and a WCS Makerspace allow our students the ability to explore and discover God's creation. The WCS Makerspace allows for discovery learning, project-based learning, and innovative thinking. With three 3D printers, our students have a chance to explore, test, and solve problems, and it also provides a convenient space for collaborative work on projects.

PORTRAIT OF A GRADUATE

A Westbury Christian School graduate will strive to make intentional and virtuous decisions in their walk with Christ, deepening their understanding of Him. A WCS graduate will courageously accept challenges as opportunities for growth while they explore their God-given potential with resilience and tenacity, striving to always give their best effort in each situation. They strive to glorify God by displaying a Christ-centered love in their service to others. They seek Him in order to be a light in the world. A WCS graduate will be a compassionate member of society who honors cultural diversity to lead and support others with empathy.

OVERVIEW

Westbury Christian's Lower School consists of two sections: a Primary Department (Preschool, Kindergarten and 1st Grade) and an Elementary Department (2nd-4th Grade). Our Christian teachers are trained to teach from a holistic, Christ-centered curriculum that provides an enriched learning experience to enhance the child's age-appropriate development. Our primary department nurtures each child by offering carefully selected learning experiences that develop your child socially, emotionally, intellectually, and physically. As they progress through the primary years, we foster their love for learning and use many concrete and sequential strategies to support your student's personalized needs. Our elementary program is designed to help your child think critically and apply their learning in cross-curricular ways. Our teachers will guide students in the transition from learning how to read to reading to learn and becoming more responsible and mature learners.

Lower School Principal

THE HEART OF LOWER SCHOOL

We believe that every child is created in the image of God and has unique gifts and talents. Our goal is to provide a nurturing and supportive environment where each child can thrive academically, spiritually, and socially. Our curriculum is designed to challenge students and prepare them for success in college and beyond. We offer a variety of extracurricular activities and field trips to help students explore their interests and develop their skills. We are committed to partnering with parents to provide the best possible education for your child. We encourage you to be involved in your child's education and to communicate with us regularly.

MIDDLE SCHOOL

OVERVIEW

The Westbury Christian Middle School serves students in fifth through eighth grade. Every facet of our middle school program is intentionally crafted to foster your child's spiritual, mental, and physical preparation for high school.

Our teachers train students to analyze and think critically about real-world problems. We believe Middle School should be a time of exploration of your student's passions, interests, and gifts. Our curriculum allows students to also participate in after-school activities like theatre and sports teams. Students as young as fifth grade can compete in non-contact sports. Middle school students also have 12 elective offerings. From coding to art to strength and conditioning, WCS offers a variety of electives for Middle School students to pursue and discover their talents. Our Middle School students also have many class bonding experiences throughout the year. In the beginning of the school year, all students attend the Middle School retreat which allows students to build relationships with one another.

Middle School Principal

WCS MIDDLE SCHOOL EXPERIENCE

We can all remember the fear and excitement of approaching our teenage years and the feeling of not knowing what was coming around the next corner. We want to help make the high school transition as smooth as possible for your child. Our students are really at a time of discovery. They are experiencing independence and responsibility in a way they never have before. Our staff does a great job of nurturing your child while at the same time pushing them at a slightly uncomfortable pace helping them to grow and mature in ways that will make you proud to be their parents. As a diverse school, our Wildcat teachers build a culture that celebrates, recognizes, and honors the unique gifts, qualities, backgrounds, and personalities of all our students, enriching their understanding of the world God created.

OVERVIEW

Westbury Christian's high school consists of grades 9-12th grade. Beginning in 9th grade, students participate in our Freshmen Symposium, which develops skill sets for high school and beyond. Our personalized approach allows us to know our students and challenge them. Each grade prepares your students for a successful college and career beyond Westbury Christian. We prepare students for college by our rigorous academic program and allow them the chance to get ahead in college with our Dual Credit Program and 18 AP Course offerings. While academics are important, we believe in a holistic approach to education. We encourage our students to participate in new clubs, compete on sports teams, and discover their talents in Fine Arts. We want our students to graduate from Westbury Christian informed, well rounded and strong Christian leaders.

WCS HIGH SCHOOL EXPERIENCE

Be known. Be seen. Be More. Westbury Christian School's High School program is focused on developing independence in the hearts and minds of young adults. Beginning in ninth grade, students are expected to move toward self-motivation and self-control in their spiritual, academic, and behavioral choices. Ultimately, exhibiting spiritual maturity and the ability to transition successfully into a collegiate program demonstrates success. Having Bible classes every day as part of our required curriculum, as well as chapel twice a week, promotes spiritual maturity, while a rigorous academic program, which provides the opportunity for students to select from more than 18 AP classes and 12 Dual Credit opportunities, develops academic excellence. Our educators care and disciple their students to prepare for life after WCS.

PARENT TESTIMONIALS

THE CARLSON FAMILY

Our family chose WCS for our daughter because we wanted a school that focuses on God. After she enrolled we immediately fell in love with the small school atmosphere, the amazing staff that always has her best interests at heart, and the huge selection of classes and extracurricular activities. WCS is a really special place. It's like family!

THE CHEN FAMILY

Initially, we were looking for a school that would take care of the whole person. We found that Westbury Christian cared for him not just his body and his soul but also his spirit. As an entire being, Westbury Christian is a school that takes care of all kids. We are very happy here. It's a safe environment where he is cherished and loved.

THE JONES FAMILY

When it came to choosing an educational environment that fit our families needs- Westbury Christian was a “when you know, you know” moment for us. Upon our first visit to WCS we were welcomed without hesitation to ask as many questions and immediately felt the warm welcome we were searching for in the greater Houston community. Our four children have different needs and interests and appreciated that WCS has an invigorating curriculum, prominent art program and successful athletics. Every faculty member we encountered during the tour were very friendly and exuded the spirit of the excellence we wanted for our family. Now that we are two years in- we without a doubt made the best decision by choosing WCS and our children love coming to school every day. WCS has been such a blessing to our family during this uncertain era of time post pandemic and would encourage anyone considering WCS for their family to strongly pursue joining the Wildcat family.

PARENT TESTIMONIALS

THE IHEDIGBO FAMILY

We love Westbury Christian! We chose Westbury Christian for a smaller intimate faith based learning environment for our kids, and they have not disappointed! They get individual assistance and tailored learning through the smaller class sizes. And MOST importantly Westbury Christian provides an environment to help them grow in their faith as they walk with Jesus into adulthood. We have been blessed to be here!

THE COOK FAMILY

Our son Matthew started WCS in 6th grade - we were looking for a middle school with small class sizes, strong academic classes, a strong Christian focus, and a wide array of extracurricular opportunities. We found all of that - plus a great family of students, teachers, staff, and parents! All of the teachers care deeply about their students, and take the time to know each of them. Matthew stayed at WCS for high school for the challenging academics and wonderful supportive environment. As well as taking honors and AP classes, he enjoys playing trumpet in the band, and has learned so much from his robotics classes. We love Westbury Christian School!

THE GARCIA FAMILY

WCS is the best place for my daughters to go to school. It is a loving and safe environment. I was also a WCS student in high school and it was a huge blessing in my life. I remember believing in myself because of the teachers and everything poured into me. I felt well prepared for life and the academics of college. I love that my girls are getting a Bible based education and learning that they are loved. My girls are learning to be faithful servants of God, through Westbury Christian backing up our beliefs that we are instilling at home. They are learning that in life to put God first in everything.
